“As a student of The Hotel School, my best experience so far was the field trip to Hayman Resort. I had a full day to work as an employee and stay in the staff village and one day to experience the resort as a guest. I learnt a lot about life and work at an island resort and had a wonderful time with my classmates.

I believe with the school network and reputation, along with the knowledge I gain during my studies, The Hotel School qualification will be my ticket to a successful future in the industry.”
