## UNDERGRADUATE

### Diploma of Hotel Management

**OVERVIEW:** Undertaking a Diploma is your chance to engage in a study pathway without committing yourself to a full three year degree. With realistic entry requirements and a pathway into a Bachelor Degree if and when you are ready to continue. Whether you are a school leaver, already working in the hotel industry or looking to make a career change, this course will develop your skills and enhance your career prospects with flexibility.

Delivered at The Hotel School, through a unique partnership between Mulpha Australia and Southern Cross University. This course covers theory and practices within the industry, finance, management and communication as well as food, beverage and accommodation operations.

**CAREER OUTCOMES:** Graduates suited to entry-level supervisory positions in the hotel, leisure, tourism and hospitality sectors including; human resource management, food and beverage operations, sales and marketing, rooms division and front office management.

## ADMISSION REQUIREMENTS
