

HAYMAN ISLAND COL PROMOTION

Undergraduate

OVERVIEW

At The Hotel School Australia (THSA), we are committed to supporting your career journey! Celebrating 35 years of academic excellence, THSA is a unique educational collaboration between Southern Cross University and Mulpha Australia.

As part of our dedication to helping students develop the skills needed for the industry, we're proud to introduce the Hayman Island Cost of Living (COL) Promotion, designed to support our students in their educational journey. This promotion helps ease the financial aspects of relocating and settling into the island village lifestyle, ensuring a smooth transition until students begin their employment with IHG.

THSA will cover up to 4 weeks of living expenses which includes accommodation and 3 meals per day at Hayman Island staff village, valued at \$1,000. This initiative underscores our commitment to providing an enriching and supportive learning environment.
